- State of Florida Licenses for 220 General Lines Agent and 620 General Lines Independent Adjuster
- Marine Surveyor, SA @ Finmar Marine Surveying SAMS® Member
- I am operating with my 220 General Lines Agent license out of Smith/Merritt Insurance in Pompano Beach, Fl.
- I am currently a member of the ABYC, IAMI, NFPA and Boat US.

Management

- Have successfully Operated and Managed up to 30 personnel onboard vessels conducting Oil Industry Offshore Drilling and Seismic Survey Operations acting as Master of said vessels for the last 9 years.
- Owned and operated a Charter Fishing business for 8 years at Bahia Mar Marina in Ft Lauderdale, Fl.
- Have managed and operated multiple Private Sport Fishing operations encompassing all vessel operations, i.e.: Captain, crewing, outfitting for travel and tournament competitive events, domestic and international for over 20 years.

COMMUNICATION

- I have excellent communication skills, fostered from being the Captain / Master of many vessels, wherein I was the Chief Coordinator. I have led, organized and trained for weekly group Safety and Educational Trainings on larger vessels. As the Spokesperson for any off vessel communications, I am skilled in professional conveyance both within the company and as a representative.
- English is my 1st language and I speak Spanish at an intermediate level.

LEADERSHIP

- I have been Captaining vessels for over 35 years and am very comfortable with leading others to a common goal.
